## October, November, December 2015

A lot of water has gone under the bridge since my last report so I am going to catch you up in a hurry and say a humungous THANK YOU for your prayers and support during this period.

I spent the last 3 months of 2015 teaching new foreign missionaries how to be better prepared for the mission field! **Westwood School of Missions** is such a blessing to anyone considering working on the foreign field. I want to thank all of the churches and individuals that support this college!

## January, February, March 2016

This year started off with a bang during our annual Missions Conference at Westwood. Bro. Bryan Sellers, our Secretary Treasurer of Missions for the ABA, preached a weeklong series of sermons that stirred our whole congregation to do more for missions. The result was more people on my next building trip to Colombia in Feb. and March. As most of you know already, we have been working hard on getting the facilities built and ready for an April 4<sup>th</sup> kickoff of our **Jungle Bible Institute** in Puerto Inirida, Colombia. I praise God that through the help of many sister churches and individuals, 3 separate properties have been purchased and the buildings have all been completed.

*Providing a helping  
hand wherever and  
whenever needed!*

## Today-April 2016

It has finally all come to fruition! We officially opened the Jungle Bible Institute on April 4, 2016. We had 60 students attending morning and evening classes. Ten people from the States (below) including my wife and pastor came for the first week of classes and then 4 of us remained for a total of three weeks of teaching. It has been an incredibly long road to arrive at this point! To God be the Glory, Great things He has done!
